FROM THURSDAY *July* 16, to THURSDAY *July* 23, 1741.

BOSTON, April 27.

Extract of a Letter from Newport, *dated* April 24.

ON Wedneſday came in a Sloop in 25 Days from Jamaica, by whom we learn, that Advice was brought to that Iſland, that the Defiance Man of War had taken 3 Spaniſh Store-Ships bound from Old Spain to Carthagena, and was in Purſuit of the reſt, ſaid to be 12. —— That Don Blaſs's Son was on board one of the Prizes, and a new Governor for Carthagena. They ſay one of the Ships mounted 20 Guns, that they put all their Letters into a empty Jar, and flung it over-board, but happily ſwimming it was taken up, and Capt. Warren carried the Letters after the Admiral.

Laſt Saturday the Aſtrea Maſt Ship arrived here in 30 Days from Jamaica, to fetch Naval Stores for the Uſe of the Fleet in the Weſt-Indies.

We hear from Penny-Cook, that there lately came in there ſeveral Indians from towards Canada, who were in a pining Condition and almoſt ſtarv'd, begging for Suſtenance, which was readily granted them; and for which they were exceeding thankful. They gave a ſad Account of the deplorable Circumſtances of the Indians, the Winter paſt, by reaſon of the exceſſive Cold, and vaſt Snows (in ſome Places near 20 Foot high) which has prevented them from Hunting; great Numbers of them have periſhed with extreme Hunger and Cold. And that by the laſt Account they had from Canada, the French are in a diſtreſs'd Condition for want of Proviſions, and by a Sickneſs that has prov'd very mortal among them.

Boſton, May 18. By the Maſter of a Veſſel who arriv'd here laſt Wedneſday in 30 Days from Gibraltar, we are inform'd, that Commodore Martin, with his Squadron, is cruiſing upon the Coaſt of Spain; and that two of our Men of War had taken two large Dutch Ships near the Streights of Gibraltar, one of them a Fly-Boat of about 300 Tuns, from Porto Rico for Cadiz, loaded with Tobacco, Cocoa and other Spaniſh Goods; the other a Ship of 24 Guns, from Cadiz, bound to the Spaniſh Weſt-Indies, having on board 1600 Barrels of Flour, and other Stores, beſides, (as 'tis ſaid) ſome Braſs Cannon and Ammunition for the Spaniſh Forces. Both Veſſels were carried into Gibraltar.

Boſton, May 25. By a Letter from London we have an Account, that the French Fleet are ſafe arriv'd in France from St. Lewis, but in ſo miſerable a Condition for want of Proviſions, that the Hoſpitals are all fitting up to receive them.

Extract of a Letter from Newport, *dated* May 13.

'I have but juſt Time to acquaint you, that Capt Davidſon, in one of our Privateers arrived here this Morning, who has taken a French Sloop of about 80 Tons, which was employ'd as a Tender to the French Fleet, and had near 60 Men on board, among whom there was three French Officers, which belong'd to the Marines: They had a ſmart Engagement, and after it was over, they diſcharg'd all the Men but the Officers, which they have brought in with them: They have found ſeveral Packets on board the Sloop, by which Means they have found, that the French Fleet had a Deſign to attack Jamaica and Admiral Vernon's Fleet, but the Scarcity of Proviſion prevented them. I am inform'd there is a conſiderable Sum of Money on board.'

NEW-YORK, May 4.

Laſt Week arrived here the Mercury, a Dutch Sloop from Coracoa, ſent here by the Governor of that Place, to deſire a Supply of Proviſions for the Inhabitants there, who are almoſt ſtarving.

May 25. Mr. William Pitts of Bermuda, a Priſoner on board the St. John Privateer Sloop, of 16 Guns 125 Men, ſail'd from St. Auguſtine, the 14th of April, and the 6th of May took the Sloop Dolphin, Solomon Sturges, and the 9th took the Ship Brumſdon, John Simpſon, from Whitehaven, the 10th took the Sloop Ranger, Iſaac Johnſon of Boſton, from Virginia, the 11th took the Ship America, Robert Kitchin, from Glaſgow, and on the 13th took the Sloop Minion, of Boſton from North Carolina: Which they gave to the Engliſh Priſoners, being 43 in Number, after plundering ſaid Sloop, and took out of her 105 Barrels of Turpentine, Pitch, Tar and all his Stores.

We are now fitting out here by Subſcription, two good Privateers to look after theſe Spaniards. The Aſſembly being now ſitting, have Four Hundred Pounds towards the Charge of theſe two Sloops; they have likewiſe voted, that every Man that ſhall happen to loſe a Leg or an Arm, or be otherwiſe diſabled on this Occaſion, ſhall have fifty Pounds; and we hear, that by Act of Parliament our Privateers are to be paid Five Pounds Sterling per Head, which is to be paid without any Delay, for every one on board a Spaniſh Privateer. It is to be hop'd, theſe Two Privateers will give a good Account of the Dons. We are now beating up for Volunteers, and it is to be wiſh'd, that every one who has the Intereſt of the Province at Heart, and the Proſperity of its Trade, will lend a helping Hand and contribute (in his Way) to ſo good a Deſign.

June 2. Yeſterday the two Sloops that were fitted out here, ſailed out of *Sandy Hook*, in Purſuit of the *Spaniſh* Privateers that are on our Coaſt.

June 15. On *Saturday* the ſixth Inſtant, John Heuſtes, his Wife, his Daughter, with Margaret Cany, alias Newfoundland Peg, alias Negro Peg, (having had a Baſtard Child by the Negro that is now hanging in Chains) were tried on an Indictment at the ſupreme Court, and found guilty of Confederating with the Negroes; Nay, even contriving and encouraging them to burn the Town and kill the Inhabitants; for which they have received Sentence of Death; and accordingly, laſt Tueſday the ſaid Heuſtes, his Wife and his Servant Margaret were executed, but his Daughter (who is about ſeventeen or Eighteen Years old) is Reprieved for a few Days. We do not hear that either of the ſaid Perſons made any Confeſſion, but ſeem'd unconcerned at dying, and one of them curs'd the Executioner.

May 28. Sunday laſt arrived the little Sloop Victory, Capt. Sibbald, being the ſame that Capt. Drummond took from the Spaniards and made a Tender of, with 2 Carriage Guns, 2 Swivels, and 30 Men. When ſhe was in Jamaica, the Men were all preſs'd out of her but 6 or 7; and in her Paſſage here, on Friday the 15th Inſtant, they met with a Ship and Sloop, which ſuddenly hoiſting Spaniſh Colours, call'd to the Victory to ſtrike to the King of Spain; but ſhe ran in between them both, gave each a Broadſide, and divided her few ſmall Shot equally between them; which began an Engagament that laſted 5 Glaſſes. The Victory received 2 Shot in the Hull, one between Wind and Water, three thro' the Counter, two thro' the Cabin, one came into the Gun Room and lodg'd in the Pump; and her Flying Jib Halliards were twice ſhot away during the Fight: At length the Sloop bore down upon the Victory, in order to board her; as ſhe came near, Capt. Sibbald was preparing to fire one of the Carriage Guns into her; but perceiving he ſhould not have Time, he catch'd up his Muſket and ſhot down the Spaniard that was at the Helm, and no Body ſupplying the Place for ſome Minutes, the Sloop ſhiver'd up in the Wind, and receiving at the ſame Time a warm Salute from the Victory, ſhe thought proper to bear away to the Ship. The Ship fir'd two ſhot afterwards, one of which lodg'd in the Maſt, the other paſs'd between two of the Men, took the ſide of the Canoe, and cut the Tackle-fall in three Places. Then the Ship and Sloop went away together, and left the Victory to purſue her Voyage. James Pearel was ſhot in the Thigh, and died 7 Days after the Engagement, Robert Wood had a Piece of the Crown of his Hat taken out by a ſhot which ſtunn'd him, as he was charging one of the Swivels, but he preſently recover'd, and went on with his Buſineſs. During the whole Fight the Spaniards behaved in a very cowardly Manner, and the Men are all of Opinion, that if they had had but ten Hands more, they could have taken them both.

We hear that a handſome Preſent will be made theſe brave Fellows by the Owners of the George Privateer, for their gallant Behaviour. —— The Ship had Twelve Carriage Guns.

June 4. The Owners of the Privateer Sloop George have made a Preſent to Capt. Sibbald of a Silver Hilted Sword, and Twenty five Pounds among the Men, for their brave Defence in the Prize Victory, as mentioned in our laſt.

This Day arrived the George Privateer belonging to this Place, from Jamaica; Capt. Drummond who commanded her died in his Paſſage. 'Tis ſaid ſhe has made a very good Voyage.

June 11. We have yet received no Accounts, that may be depended on, of the Taking of the Town of Carthagena.

On the 25th of the laſt Month, the Presbyterian Synod opened their Seſſion in this City; and after ſeveral Days ſpent in Debates on the Rights of Presbyteries, &c. a Proteſtation was entred into, on the firſt Inſtant, and ſigned by 12 Miniſters and 8 Members then preſent, by which the Rev. Meſſrs. the *Tennents*, and their Adherents are excluded the Synod, and declared to have forfeited the Right of ſitting, and voting as Members thereof: The excluded Brethren immediately withdrew, and met by themſelves in another Place. 'Tis ſaid, that the Number of the Excluded was nearly equal to that of the Synod remaining. The Proteſtation, containing the Reaſons of their Conduct, is now publiſhed by Order of the Synod.

On Sunday the 31ſt of laſt Month, the Rev. Mr. *Gilbert Tennent* preached five Times to crowded Audiences: And on the Wedneſday following, he baptiſed, at the New-Building, Eight adult Perſons, who had been of the People called Quakers, one, as is ſaid a Preacher. Mr. Whitefield had baptiſed three at the ſame Place, when he was laſt in this City.

June 18. We hear that there are Fourteen Spaniſh Men of War at the HAVANNAH, and that that they have erected ſeveral new and additional Fortifications at that Place, and that they are in Daily Expectation of a Viſit by the brave Admiral VERNON. We alſo are informed, that Proviſions are very dear and ſcarce at the Havannah.

CHARLES-TOWN, July 23.

The General Aſſembly of this Province having voted *Five Pound Sterling* per Head, for every *Spaniard* that Capt. *John Rouſs* Commander of the Sloop *Speedwell*, ſhould bring into this Place; and the Merchants and other Inhabitants by a voluntary Contribution having furniſhed him with Proviſions and other Neceſſaries, he proceeded to cruiſe on this Coaſt about a Fortnight ago, and Monday laſt brought in a *Spaniſh Sloop* (Privateer) with 19 Hands well armed, which he had the good Fortune to take three Days after he came out of *Auguſtine*; The ſame Day likewiſe return'd Capt. *Charles Farſhaw*, in his Majeſty's Ship the *Phenix*, — *With His uſual Succeſs*, he having been out ſome Weeks paſt and luckily met with no Enemy. — We *now* begin to hope that Capt. *Rouſs*'s Vigilance and Courage will ſpoil the *Spaniards* future Gleanings, they have made but too good a Harveſt already; which Hopes would be greatly enlarged, ſhould either the Country or the Merchants fit out 2 or 3 Privateers — Commanders more of Capt. *Rouſs*'s Spirit and Activity.

On Wedneſday laſt the *Beaufort*, one of the Half-Galleys lately built for the Service of this Government, was launched, and we hear ſhe is order'd immediately to be put in a Condition to ſail on a Cruiſe.

On Friday laſt arrived here Capt. *Tucker* from *Virginia*, who informs us, that on Thurſday the 16th Inſtant, he was chas'd off *Winyaw*, by a large Snow which he ſuppos'd to be a *Spaniſh* Privateer.

Capt. *Tucker* alſo informs us, that the *Virginia* Merchants have at laſt perſuaded Sir *Yelverton Peyton*, Commander of the *Hector* Man of War, of 40 Guns, to go on a Cruiſe, in Purſuit of a *Spaniſh* Man of War Snow and 3 Privateers that infeſt their Coaſt, and have taken (ſince the *New England* Fiſhing-Boat) 4 inward-bound Ships That the *Spaniards* were ſo encouraged by the Indolence if not C—— ce of Sir Y——n, that they wattered in *Cheſepeck* Bay, and then went into *Teache's* Hole in *North Carolina* where they landed, kill'd as much Cattle as they wanted, and tallowed their Veſſels Bottoms. And that the Government of *Virginia* (*fearing Sir* Yelverton Peyton's *Cruiſe ſhould not prove effectual*) has fitted out two fine large *Bermuda* Sloops, mann'd with 70 Hands each, to clear their Coaſt of *Spaniſh* Privateers. Each Man on board theſe Sloops is allow'd 4 *l. Sterling* a Month, *&c.*

Capt *Tingley* who is arrived here from *Georgia*, brings Advice, that on Tueſday the 14th Inſtant, he met Capt. *Deſbriſay* going over *Tybe* Bar, who ſent his Boat on board to know who he was; the People on board the ſaid Boat informed Capt *Tingley*, that the Friday before, they run a *Spaniſh* Sloop aſhore off the *Matanſis*, where ſhe ſtove to Pieces. They gave no Account of her being a Privateer as mention'd in our laſt.

South-Carolina Gazette.

THURSDAT, July 23. Numb. 387.

Mad with Revenge he gather'd all his Wind,
And bounc'd like Fifty Bladders from behind.

Mr. *Timothy*,

I SUBMIT to your Readers, whether theſe Lines (borrowed from an old Paper of Yours) do not expreſs the Temper of the Gentleman, who appears in Your late *Gazette*, and to the very Life reſembles AT-ALL in the Play; for I muſt attribute it either to *Paſſion*, or want of *Genius* and Poverty of Underſtanding, that he takes ſuch a Circle, and fetches in his Materials from Things ſo foreign to the Point in Hand.----- Pray what had *V.D.M. Honeſt Arminius*, Dr. *Chip*, and *Whitby*; what had *Election*, *St. Criſpin* and the *Tanner*, *Angels* and *Hottentots*, to do with the late *Extracts* or the *Remarks* upon Them?--- If I might aſſume a regal Style, WE are at no Loſs to gueſs, *who* thoſe Gentlemen of *Senſe*, *Learning* and *Candour* are, who have ſo contemptuoſly pronounc'd *V.D.M.* unequal to the Task he undertook againſt *Arminius*; but tell Them Mr. *Timothy*, *That* Writer and his voluminous Performances, have had the Senſe and Applauſe of ſo *many*, and Men of ſuch ſuperior Figure in the *Republick of Letters*, that he is ſecure in his Reputation, and rais'd above the Reach and impotent Rage of ſo *low* a Writer; and whiſper it in his Ear, that *his own* Character does not grow quite ſo faſt as his *Belly*, but dwindles every Day in the Eſteem of all that I know, of a ſerious and *truly* religious Character; and I verily believe, his ſpiteful Oppoſition to *the Work of God* in *New-England*, is not the moſt ready Way to *retrieve* it.

Mr. Editor's Apology for concealing, or not affixing his Name to the *Extracts*, will not bear a ſecond Reading. But to put the Gentleman out of Pain, tell him, *we* neither *wiſh* nor *ſuſpect* a *Forgery* in them. Nor do I believe *Philalethes* intended any more than to ſhew the *Tendency* of ſuch Methods, to open a Door for any *Falſhoods*, a Man, of no Regard to Truth, might always obtrude upon credulous Readers. However it has given this *angry Author* a fairer Opportunity of *ſecuring* his ECCLESIASTICK in his good *Senſe*, *Vertue* and *Religion*, a *rational* Religion I ſuppoſe, and queſtion not, he had a good round *Fee* for the *Panegyrick*: But to let *that* paſs, I ſincerely think, that the ludicrous *Forſooth*, with which one of the *Letters* treats the Operations the *bleſſed Spirit*, and the *new-Birth*, Doctrines certainly of the moſt ſerious and ſacred Importance, makes the neareſt Approach to *Blaſphemy*, of any Thing I ever yet ſaw in your *Gazette*; and I tremble to think the *Editor* ſhould pretend to *juſtify* or ſo much as apologize for it. But as if we were all as ignorant as *Hottentots*, and he only wiſe an *Angel* of God, he comes to inſtruct us, what *true*, *proper* and *rational* Religion is. But we knew it before; you may find it all in *Agrippa's Creed*, recited, cenſur'd and confuted in a little excellent Piece of Dr. *Watt's*. With *this* and the *other* Gentlemen of *Senſe*, a Religion animated with the leaſt Degree of pious Fervency, with but a Spark of ſacred Paſſion is too warm to be *rational*, if he can make a Jeſt of the *Terrors of God*, and repreſent an *awaken'd Conſcience* as a fit Subject of Ridicule and *Satyr*, we muſt believe, to ſay no worſe, he never *felt* Them. But God forbid, his *Eccleſiaſtick* ſhould forget his Character, and countenance him in it. I allow indeed, the *ſpiritual* or *new-Birth*, can't *terminate* (he ſhould have ſaid, *commence*) in the *ſame ſort* of Pangs as the *natural*; but *Pangs* it might have, and ſometimes as ſtrong and violent, though of a quite different *Kind*, as the *natural*. But here I muſt reſtrain my Pen, 'tis almoſt dangerous to enter upon ſerious Matters with ſome *Writers*, who throw off the Reſtraints of Religion, and ſeldom bring her forth, but to ſcourge and cruciſy her.

The *Queriſt* thinks he has puzz'led us when he querry's, how Children of 6 Years and upwards, can *pray* together & have *religious Conferences*, which are the Reſult of *Reaſon* & Reflection? But are Children of theſe Years *without Reflection*? Or may they not, under the Influences of the *bleſſed Spirit* confer upon *Religion* as well as any Thing elſe, tho' not with all the Accuracy and Exactneſs of *riper Years*? Do not the *Extracts* acknowledge the *Fact* in order to ridicule it! Yea this Gentleman himſelf cannot deny that the *Deity can* ordain Praiſe out of ſuch Mouths; and if he does not *ordinarily* do ſo, 'tis for that very Reaſon more marvellous in our Eyes, and we the ought more to honour *that Miniſtry*, which God is pleas'd make Uſe of to to produce ſuch extraordinary Events; and not oppoſe and vilify it, leſt haply we be found to fight againſt God. The Remark upon the *Shoe maker* diſcovers nothing more than the Gentleman's profound Ignorance of the Nature and Rules of religious *private* Societies; and I think, he took a very unnatural Leap from the *Shoe-maker's Laſt* to Dr. *Clip's Hammer* which if he handled no better than this Hackney Scribbler has his *Pen*, it was time he ſhould quit it. But we know who *they* were, that were always crying out *is not this the Carpenter's Son*? I ſhall ſlep over his decent Compariſon of the *Angel* and the *Hottentot*, a fine Figure truly! And juſt obſerve to the Gentleman, that the Apoſtle tells us of *ſome Men*, who *can't* underſtand the Things of the *Spirit of God*; and *Bunyan's* writing ſo much upon Them, no wonder *He* does not underſtand him, tho' it was exceſſive Modeſty in him to bring all down to *His own* low Stature, and to ſay *no* Man could. I come next to ſee, if I can poſſibly help him to *ſwallow* the 3000 *l.* which, with his *uſual Penetration*, the *Queriſt* thinks *Philalethes* ought to prove was given purely for the Uſe of the poor Orphans of

Georgia.
